Bill (Always A Ford Man)

Always A Ford Man
Willing to lend a helping hand

Owned over thirty
that tbird was so pretty

Might have been his favorite
Except for that ole 1930

His passion it became.
The model A was his dame

Always A Ford Man
Eight decades it spanned

Sully was his terrain
Hardly ever rained.

A great club they made
Friendships he wouldn't trade

Pilgrimages to Hershey
many treasures to be found

Always A Ford Man
Loved that town sedan

The joy of the tour
Even with missing motor

Cooking on the manifold
That tuna was gold

Time to retard that spark
Get movin before dark

Always A Ford Man
In heaven with his "A"
